The Elster AMCO Water VersaProbe is a universal probe for remote meter reading. The Probe includes ID look-up, which allows the meter reader the flexibility to read a route in random fashion. The weather resistant case is designed for use in the harsh and rugged meter reading environments.

VersaProbe Available in Three Basic Models:

- Standard Probe
- Probe with Fixed-Length Pit-Probe Extension
- Probe with Telescoping Pit-Probe Extension

VersaProbe Can be Used Three Ways:

- Independently, it can store up to 1100 reads then can be connected to the VersaTerm for download
- Attached to virtually any industry standard hand-held computer
- Visual Reader for meter installation/inspection purpose

VersaProbe Can Read the Following Meters:

- Elster AMCO Water
- Badger
- Metron-Farnier
- Neptune
- Sensus
- And Others
